☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 22nd day of June 20 04 at 10:00 ☐ A.M. ☒ P.M. (Specifically include facts constituting cause for arrest.)

On June 23, 2004, West Palm Beach Police Department received a 911 call from [REDACTED] cellular phone number. [REDACTED] told the dispatcher [REDACTED] had been raped and that [REDACTED] was at [REDACTED] which is located at [REDACTED]. Upon officer's arrival they were unable to locate a victim. Later that afternoon, I made contact with a [REDACTED] who was in contact with [REDACTED] at Willis-Knighton Medical Center Emergency Department. [REDACTED] was reporting the sexual battery to them and I requested their agency assist us in completing the physical examination and sexual assault kit. I also requested a detective be assigned to take [REDACTED] statement. Det. McWilliams was assigned the case and on 06-24-2004 conducted a taped interview of [REDACTED] advised the following took place:

[REDACTED] flew to Florida on 06-18-2004 to visit and stay with [REDACTED] friend, [REDACTED] (-[REDACTED]). [REDACTED] had known [REDACTED] for several years but had no previous sexual relationship, nor did they engage in a sexual relationship while [REDACTED] was visiting. On Tuesday evening, 06-22-2004, [REDACTED] and [REDACTED] married neighbor and former college roommate, John Agee, had dinner together in [REDACTED] apartment. The three ate and drank wine and liquor, playing drinking games. [REDACTED] said [REDACTED] drank a complete bottle of wine over 4-5 hours and had started on a second bottle, when [REDACTED] said [REDACTED] was tired and going to bed. [REDACTED] changed into [REDACTED] pajamas (white shirt, pajama bottoms, and underwear) and went to sleep in the bedroom. [REDACTED] said [REDACTED] awoke to a man on top of [REDACTED] withdrawing his penis from [REDACTED] [REDACTED] was lying on [REDACTED] stomach, [REDACTED] loose fitting pajama bottoms had been removed and [REDACTED] underwear pulled to the side. [REDACTED] pretended to remain asleep, advising [REDACTED] was afraid and waited while the man, who [REDACTED] thought must have been [REDACTED], went to the bathroom. Shortly after that [REDACTED] came into the bedroom and went to sleep. Once [REDACTED] was asleep, [REDACTED] got out of bed, gathered [REDACTED] belongings and left the apartment. [REDACTED] called [REDACTED] and the police. [REDACTED] told [REDACTED] to get to the airport and [REDACTED] would arrange for [REDACTED] to get home. [REDACTED] walked to the nearest gas station and called for a taxi to the airport, not encountering the responding police on [REDACTED] way. Once in [REDACTED] [REDACTED] went to [REDACTED] where [REDACTED] sexual assault kit was completed.

On 06-28-2004, Detective McWilliams had [REDACTED] call [REDACTED] on his cellular telephone and Detective McWilliams

<p>recorded the call. During the call, [redacted] confronted [redacted] about what happened and him having sex with [redacted]. [redacted] denied having sex with [redacted] and asked if [redacted] woke up feeling like [redacted] had engaged in intercourse or if [redacted] actually woke up in the middle of having sex. [redacted] said it must have been John (Agee). [redacted] said Agee was freaking out over the way [redacted] left and had asked [redacted] if he did anything to [redacted] while [redacted] was passed out drunk.</p> <p>I spoke to [redacted] after this call and [redacted] said [redacted] thought it was [redacted] who had sex with [redacted] because that is who was sleeping in the bed with [redacted] when [redacted] left. [redacted] said Det. McWilliams tried to reassure [redacted] that [redacted] was probably just trying to confuse [redacted]. [redacted] said [redacted] at no time had any known/willing sexual contact with Agee and that there was no reason Agee would have thought [redacted] would consent to any such contact. [redacted] added [redacted] has never had sex with [redacted] and he acknowledged that on the above recorded phone call. I prepared a search warrant for a DNA sample from [redacted] and met with him as [redacted] pulled into his parking space outside his apartment on 07-21-2004. [redacted] was brought back to the police department where [redacted] was read his constitutional warnings from a preprinted card. [redacted] agreed to speak with Det. Utecht and me and also agreed to supply a DNA sample without being advised of the warrant. [redacted] denied having sex with [redacted] but advised that after [redacted] went to bed (pretty drunk), Agee kept telling [redacted] he should go in to the bedroom and "get some." [redacted] told Agee that [redacted] was passed out and not waiting for him like that. A bet came up between the two that [redacted] would not even know who was laying down next to [redacted] if one of them went in there and Agee went into the bedroom for about five minutes. Agee came out of the bedroom and went into the bathroom. Agee told [redacted] [redacted] was passed out, that he slapped [redacted] on [redacted] and that [redacted] did not move. [redacted] said [redacted] went out to [redacted] car to get [redacted] cell phone and stopped to talk to neighbors for 15-20 minutes. When [redacted] returned to the apartment, Agee was sitting on the couch and said he had to get home because his wife would be home soon. [redacted] said that he called Agee when he discovered [redacted] had left and Agee was panicked, freaking out. [redacted] also said [redacted] called Agee after the phone call from [redacted] accusing him of rape, and Agee was panicked again, telling [redacted] he needed to call [redacted] and say whatever he had to make [redacted] happy, to make it go away. [redacted] was out of town for business at that time and said Agee called [redacted].</p>

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above-named Defendant committed the following violation of law
The Person taken into custody ...

☐ committed the below acts in my presence.☐ was observed by _____ who told _____☐ confessed To _____

admitting to the below facts.

that he/she saw the arrested person commit the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 22nd day of June 20 04 at 10:00 ☐ A.M. ☒ P.M. (Specifically include facts constituting cause for arrest.)

2, 3 or 4 times that night concerned over [REDACTED] call. Agee told [REDACTED] he couldn't remember if he had sex with [REDACTED] but he might have and that his wife could not find out about it.

[REDACTED] agreed to call Agee from his cellular phone and allow us to record the call. [REDACTED] did call Agee and told Agee he was brought to the police department about what happened with [REDACTED] and that he had to give a DNA sample. [REDACTED] asked Agee what happened between Agee and [REDACTED] and Agee said he did not know if he had sex with [REDACTED], but that if [REDACTED] did not, Agee must have. Agee was again panicked, asking what could happen to him. [REDACTED] reported in the days after I met with him, that Agee said it would be [REDACTED] word against his as to whether or not the sex was consensual. [REDACTED] also advised that he neither witnessed nor was told of a mutual physical attraction between [REDACTED] and Agee. It should be noted that [REDACTED] also reports Agee examining [REDACTED] prescription medication in [REDACTED] purse prior to entering the bedroom where [REDACTED] was sleeping and commented to [REDACTED] about [REDACTED] pain medication.

A lawful search warrant was obtained and executed for DNA standards from John Agee on July 26, 2004. The DNA standards from [REDACTED] and Agee, along with the sexual assault kit collected from [REDACTED] were turned over to the DNA lab at the Palm Beach County Sheriff's Office. Analyst Tara Sessa advised after the items' examination and DNA extraction that semen collected from [REDACTED] panties, vaginal swabs and Nuva-ring (vaginal birth control insert) all matched the DNA of John Agee. There was no match to [REDACTED].

Agee knew of [REDACTED] physical inability to respond or consent and even wagered with [REDACTED] over [REDACTED] ability to recognize someone who would enter [REDACTED] bed. Agee further acknowledged [REDACTED] failure to react or wake up from his "slap on the ass." Based on the above facts, Agee is charged with Sexual Battery on a person physically helpless to resist, F.S.S. 794.011 (4a).

[REDACTED] told Officer Sanchez that at approximately 16:15 hours [REDACTED] went to pick up [REDACTED] at [REDACTED], [REDACTED]. The [REDACTED] juvenile [REDACTED] ([REDACTED]) resides at [REDACTED], [REDACTED]. When [REDACTED] arrived [REDACTED] noticed a dark green Toyota Tacoma in the driveway. 	<p>Mrs. Meneses left messages for Andres on his cell phone to come home immediately. I left Mr. Meneses my business card and asked him to call me when Andres came home. Investigator Castellanos and I then left the home, but waited in the area in case Andres returned. At approximately 22:40 hours we noticed Andres' green Toyota Tacoma turn onto his street. We then went back to 70-11 NW 98th Terrace, Tamarac.</p> <p>When we arrived back at the residence, we knocked on the door and Andres Meneses opened the door. Mr. and Mrs. Meneses also came to the door. We told Andre that we would like to speak with him about an incident in Boca Raton. We were then invited into the home again. Andres, Investigator Castellanos, and myself sat down at a table in the kitchen. Mr. Meneses stood in the kitchen while we spoke with Andres. I explained to Andres that we were there to investigate his sexual activity with _____.</p> <p>During a taped statement at his home in Tamarac, Andres admitted to having sexual intercourse with _____ once on 7/20/04 and again on 7/22/04 at _____ home in Boca Raton. Andres stated that _____ had called him on his cellular phone on both occasions and invited him to the home in Boca Raton. During the statement Andres stated that he believed _____ to be _____ or _____ years old. He believes that _____ obtained his cellular phone number by taking it out of his backpack at a Boca Raton camp. Andres stated that he did not force _____ to have sex with him, but it did happen. When I concluded my interview I asked Andres if he would be willing to come with us to the Boca Raton Police Department and consent to a DNA swab of his saliva. I also informed Andres that we would further discuss charges related to this incident. Andres agreed to come with us to Boca Raton of his own free will. Upon arrival at the Boca Raton Police Department I placed Andres under arrest. Officer Castellanos then processed Andres into the booking area. While in the booking area I did ask Andres to consent to a DNA swab of his mouth. I then read Andres his Miranda warnings and a consent-to-search card on tape. Andres verbally acknowledged and signed both sides of the card. Crime Scene Technician Carlyle then took the sample from Andres' mouth and placed it into evidence.</p> <p>Based on the facts of this investigation I have probable cause to believe that Andres Meneses did unlawfully engage in sexual activity with _____, a person 12 years of age or older but less than 16 years of age. Andres Meneses is charged with two counts of Lewd or Lascivious Battery, a felony of the second degree.</p>

<p>On the evening of Wednesday, 02/18/2004, at approximately 10:13 P.M., I, Officer E. Guillen of the Palm Beach Gardens Police Department, while on routine patrol of the 4000 block of Lilac Street, Palm Beach Gardens Florida 33410, observed a blue in color Toyota Camry parked in a desolate parking lot, owned by the Palm Beach County School Board, with no street lighting, with its engine running and head lights turned off.</p> <p>As I approached the vehicle, I observed what appeared to be a water vapor or condensation forming on the inside portion of the windows of the vehicle and movement from the back seat area. I approached the vehicle from the driver's side and knocked on the driver's side rear window while at the same time, illuminating the interior of the vehicle with my flashlight. I observed two occupants inside of the vehicle, a white female later identified as _____, and a black male later identified via his Florida drivers license as 20 year old, Emmanuel Vilbrun (01-23-1984). Vilbrun, who was not wearing a shirt and was covered with perspiration. While illuminating the vehicle interior, I noticed that the female appeared to be _____. I opened the driver's side rear door. I felt a burst of warm, moist air come from the interior of the vehicle. I asked _____ how old _____ was and _____ replied, _____. I then asked _____ to step out of the vehicle for further investigation. _____ reached to the floorboard area of the back seat and recovered a pair of gray in color boxer style underwear which _____ put on. (Specifically include facts constituting cause for arrest.)</p> <p>On Thursday, November 13, 2003, at 1200 hours, Detective A. Sam and I responded to 624 Palm Beach Lakes Blvd., Apartment number eight, West Palm Beach, Florida 33407, regarding a sexual battery. The victim, Berline Dupalis provided us with a sworn taped statement.</p> <p>Berline said that she ordered digital cable service from Adelphia which was scheduled to be installed that day. At about 1000 hours, an installer arrived. That installer telephoned another employee for assistance named Rafael. Rafael and the other installer remained in and out of her apartment for about one hour until the installation was complete. During that time, Rafael told Berline that he had was attracted to Haitian women. Berline, changing the subject, inquired about a job at Adelphia Cable. Though Berline felt uncomfortable with Rafael, she assumed he would be leaving soon.</p> <p>After the installation was complete, and both men appeared to have left, Rafael returned. Berline answered the door, and he handed her a channel lineup guide. She told him that she already had a card, but he pushed her in the apartment and locked the door behind him cornering her against the wall and the front doorframe.</p> <p>Rafael then grabbed Berline's chest and began pulling his pants down. He also tried to pull Berline's pants down, but she was able to keep them on. He then started kissing her face and eyes as Berline cried, "no" and "stop". Rafael then pulled her face toward his penis forcing her mouth to touch his penis. As she pulled her head away, Rafael forced her hand near his penis, and he ejaculated on her hand which she immediately wiped on her pants (Collected as evidence). Berline then ran toward the living room couch where her cellular phone was located, and she locked herself inside the apartment's bathroom. Rafael then pleaded for her not to call anyone, and few minutes later, he left.</p> <p>At about 1320 hours, I spoke with Rafael via telephone. I told him that I was a detective, and I requested to speak with him in person. Rafael said that he was about to eat lunch at his home. I then asked Rafael if he wanted to eat lunch with me, and he said if I was buying, he would join me; I agreed.</p>

<p>At about 1345 hours, we met with Rafael at a Jamaican restaurant he chose. We sat in a booth located along the west wall of the restaurant closest to the front door which was open. Rafael sat to my left near the outside of the booth (our backs facing the front door), and Detective Sam sat opposite of me furthest from the front door (facing the front door). I told Rafael that I appreciated him speaking with Detective Sam and me. I told him several times that he did not have to speak with me if he did not wish to, and he was free to leave. Rafael agreed to remain in the restaurant and speak with us.</p> <p>Rafael then said, if we paid attention to that woman, and her being as ugly as she is, we would know that there is no way he would risk his career over her or anyone. I told Rafael that she accused him of exposing his penis to her and trying to take her clothes off. Rafael denied any wrongdoing. He said that there is no way he would ever do anything like that to anyone. Rafael also said that he did not mean to offend Haitians, but he had no desire whatsoever to be with a Haitian woman.</p> <p>I asked Rafael several times if he exposed his penis to the victim, if he ejaculated inside her apartment, if he attempted to remove her clothes, if he ejaculated on her, and if there was any reason for his semen to be in the victim's home; he answered "no" to every question. Rafael also consented (consent to search form signed) to provide us with a buccal swab (saliva sample) for DNA comparison.</p> <p>On December 2, 2003, I spoke with Forensic Scientist, Tara Sessa of the Palm Beach County Sheriff's Office Serology Lab. According to Tara, the semen recovered on Berline's pants and hand, matched Rafael's DNA. On December 3, 2003, at 0947 hours, Det. Sam and I interviewed Rafael at the West Palm Beach Police Department. Rafael was read his Miranda Rights, he stated that he understood his rights, and he agreed to speak with us. Rafael said that he lied when he spoke with us at the restaurant. He said that Berline performed oral sex on him, without him asking, and when he ejaculated, he did not ejaculate on her. Rafael said he lied because he feared losing his job.</p> <p>Due to the sworn statement provided by Berline, Rafael's denial of having any sexual contact with Berline, and then retracting his statement, and the findings of the Palm Beach County Sheriff's Office Serology Lab, I believe probable cause exists to charge Rafael Defreitas with one count of Sexual Battery, Florida State Statute 794.011 (5).</p>

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named defendant committed the following violation of law. The Person taken into custody was found to have committed the below acts, resulting from my (described) investigation.

On 11-25-02 your Affiant arrived at Berkshire Elementary School reference a complaint by school principal Ms. Sandy Gero, who advised that two female fourth grade students reported to a teacher in the aftercare program, that teacher Mr. Raymond Gleason touched them in a manner that makes them feel uncomfortable. The teacher whom they first spoke with notified the After Care Director who then spoke with the students in more detail. Mr. Gleason was not at the school and was reassigned to his home due to the complaints; however, he was not informed as to the nature of the complaints.

I then individually met with the after care teacher/counselor and the director to conduct interviews with them. The interviews were audiotape recorded and the employees were placed under oath. All audiotape and videotape recorded statements obtained during this investigation will not be reiterated in their entirety within this report. For the complete text of statements refer to the audio or videotape. The following is a summary of their statements:

Larissa Dennstedt: Is a kindergarten teacher and a first and second grade reading teacher who works in the after care program after school. Stated that during the after program, at approximately 1430 hours four girls mentioned they wanted to go to the office. After the students were settled in the classroom Dennstedt took one of the students who wanted to go to office aside and asked her what she wanted to go to the office for. Student Vanessa Plasencia told Dennstedt she wanted to tell Ms. Gero that she felt uncomfortable with the way her teacher, Mr. Gleason, was touching her. Dennstedt asked if the other three girls needed to go with her and Vanessa said yes they all needed to talk. Dennstedt then spoke

with student Sarah Fischer who also wanted to go to the office. Sarah was asked why she needed to go to the office. Sarah told Ms. Dennstedt that Mr. Gleason puts his hand under her shirt and demonstrated by placing her hand under her own shirt and touched her breast. Ms. Dennstedt at the time was trying to get the students settled and told Sarah to give her time and she will send her to the office. Ms. Dennstedt was unsure of what the procedure was regarding what the students disclosed to her so she had the After Care Director, Jennifer Richer, meet with the students to talk with them.

Jennifer Richer: Is a kindergarten teacher and Director of the After-Care department. Had received information that a teacher had inappropriately touched some students. The students who wanted to talk to her were said to be Jordan Clemmons, Vanessa Plasencia, Yamileth Cajina and Sarah Fischer. Richer met with the students and told them she needed to meet with them separately so she could inform the principal of what they are reporting. She also told the students about telling her the truth. Richer first spoke with Vanessa Plasencia who said that while she would be in the classroom, Mr. Gleason would hug her while making sure her hands were being held and he would place his hand under her shirt and on her chest. This happened to her when there were only a few kids in the room waiting for tutorial or after care. Vanessa also told Ms. Richer that she was afraid to tell her parents and was afraid to tell her to stop. She also knew it was wrong and it made her feel uncomfortable.

Ms. Richer next spoke with student Sarah Fischer who came up to Richer, sat down and immediately said that when Mr. Gleason was her second grade teacher he used to touch her under her shirt. Sarah said he touched her chest, stomach and rubbed her back. She also said she has seen Mr. Gleason touch Vanessa. Ms. Richer then spoke with student Jordan Clemmons who does not have Mr. Gleason as her fourth grade teacher. Jordan said that Ms. Lopater had sent her and Yamileth to Mr. Gleason's classroom with a note. When she walked into Mr. Gleason's room she saw Mr. Gleason hugging Vanessa and it looked like his hands were under her shirt. Jordan did not give a date or time when this happened. Mr. Richer then spoke with Yamileth Cajina who said that she and Jordan had gone to Mr. Gleason's room to deliver a note for Ms. Lopater when she saw Mr. Gleason hugging Vanessa. Vanessa had then walked out of the classroom and was upset about what Mr. Gleason did and told Yamileth. Ms. Richer said the girls also mentioned another child, Shyann Faircloth, whom they saw being touched by Mr. Gleason.

After hearing the information from the girls Ms. Richer told the girls to wait while she spoke with the principal, Ms. Gero. This occurred at approximately 1600 hours. After speaking with Ms. Gero she told the girls that Ms. Gero would be contacting their parents.

After interviewing the employees I met with Andrea Scioliano, who is the mother of Vanessa Plasencia, and with Vanessa's father, Miguel Plasencia. I advised them of the information and investigation process. They were advised that I would contact the Child Protection Team and arrange for a forensic interview to be conducted with Vanessa.

On this date I also contacted Ms. Karen Fischer who is the parent of victim Sarah Fischer. I advised her of the investigation and arrangements for an interview.

Palm Beach County Victim Services was notified of the incident and investigation. Counselor/Advocate Kimberly Green was assigned to the case. On 11-26-02 interviews with the victims were conducted by CPT Case Coordinator Lynda Davies at Home Safe. The first victim interviewed was Vanessa Plasencia. The interview was videotape recorded. Kimberly Green and myself watched the interview in an adjacent room on a video monitor. In summary, Vanessa was able to distinguish the difference between telling the truth and telling a lie with emphasis placed on telling the truth. Vanessa said that when she goes up to Mr. Gleason's desk after school to ask him a question or get a jolly rancher candy, she sits on his chair and she also sits on his lap. Mr. Gleason is her fourth grade teacher. When Mr. Gleason talks to her sometimes he puts his hands under her shirt and he touches her boobs with his thumb. Vanessa said this occurred more than one time. There is a student named Andrew who is also in the classroom at the time. Vanessa pointed to the chest area of a drawing as identifying what she calls boobs. When Vanessa goes up to hug Mr. Gleason he either touches or slaps her on her butt over her clothing. This also occurred more than one time. Mr. Gleason also gives Vanessa kisses on her forehead and lifts up her shirt and rubs her back. Mr. Gleason does not say anything to Vanessa while touching her. Gleason has had Vanessa touch him by taking her hand and making her touch his chest on top of his clothing and also takes her hand and places it on his butt. Mr. Gleason also touches Vanessa on her stomach. Vanessa said the touching occurs after school at around 2:05 or 2:10 while waiting in Mr. Gleason's classroom to go to aftercare. She leaves at around 2:15 to go to aftercare. Vanessa is not sure if anybody has seen Mr. Gleason touch her in the way she described. These incidents occurred during this school year which started in August. Vanessa has never seen Mr. Gleason touch anyone else. Vanessa was told by students named Arelys and Maria, who is also called Cessy, that they were touched on the butt by Mr. Gleason.

Next interviewed by Case Coordinator Lynda Davies was Sarah Fischer. Sarah is a fourth grade student and is in Mr. Gleason's class. Sarah was able to distinguish the difference between telling the truth and telling a lie. Sarah said that Mr. Gleason used to be her teacher when she was in the second grade. Mr. Gleason never touched her in an inappropriate manner while in second grade. This school year, about one month after school started Mr. Gleason started placing his hand under Sarah's shirt and rubbed her chest. This occurred more than one time during class time and while waiting to go to aftercare while standing by his desk. He also patted her on the butt after telling Mr.

Gleason that she was happy she got an "A" as a grade one time. Sarah has also seen Mr. Gleason touch Vanessa and a girl named Shyann Faircloth. Mr. Gleason would place his hand under Shyann's shirt. She also said that Vanessa has seen Mr. Gleason touch her. After further interviewing, Sarah changed her information and said she did not see Mr. Gleason touch Vanessa and was not sure if Vanessa has seen Mr. Gleason touch her. Sarah then said that she has not actually seen Mr. Gleason touch Shyann but Shyann told her that Mr. Gleason has touched her. Sarah has seen Mr. Gleason sit on Vanessa's lap while sitting on his chair.

The investigation resumed on 12-04-02. I conducted interviews with students who were named by the two victims as person's who may have been present or have knowledge of acts committed by Mr. Gleason. Interviews were conducted at Berkshire Elementary School. The interviews were audiotape recorded. It is recommended that persons refer to the audiotape or audiotape transcripts for the entire text of the interviews. The following is a summary of their statements:

Jordan Clemmons: Was able to distinguish the difference between telling the truth and telling a lie. Said she was delivering a note to Mr. Gleason's class when she saw Mr. Gleason standing by Vanessa's desk with his hand on Vanessa's stomach. Vanessa was sitting at her desk at the time. Jordan is in the fourth grade and is a student in Ms. Lopater's class. Jordan was also told by Vanessa that Mr. Gleason put his hand in her shirt and Sarah's said Mr. Gleason touched her butt.

Andrew Michael: Was able to distinguish the difference between telling the truth and telling a lie. Andrew waits in Mr. Gleason's class after school from 1:55 PM until 2:15 PM to go to aftercare. Also waiting in the class is Marcello and Vanessa. Every day Vanessa goes up to Mr. Gleason's desk and almost every day she sits in his chair. While sitting in his chair she moves the chair around on the rollers while Mr. Gleason walks around the class. Regarding Mr. Gleason touching students Andrew said he has given him a pat on the back for doing something good and Mr. Gleason usually hugs just the girls. Andrew has never seen Mr. Gleason put his hand under Vanessa's shirt.

Yamileth Cajina: Was able to distinguish the difference between telling the truth and telling a lie. Said that Vanessa and Sarah told her that Mr. Gleason touches them on their body parts. Yamileth has never seen this happen but has seen this happen to her friend, Shyann. Last school year Shyann would ask Yamileth to go with her to Mr. Gleason's class while in aftercare. Yamileth saw Mr. Gleason put his hand inside Shyann's shirt and touch her on her boobs on her skin. Shyann would visit Mr. Gleason because he is her favorite teacher. This occurred in Mr. Gleason's portable while other students were

present. Vanessa was also present at the time and Yamileth would tell Vanessa that what he was doing was wrong. This occurred several times.

On the following day, 12-05-02 and interview with Marcello Cajina was conducted. The following is a summary of his statement:

Marcello Cajina: Was able to distinguish the difference between telling the truth and telling a lie. Marcello is in Mr. Gleason's class and stays in the class after school until 2:15 when he goes to an aftercare class located next door. There are four students who stay in the room, Andrew Michael, Sarah Fischer, Vanessa Plasencia and Marcello. Vanessa likes to sit on Mr. Gleason's chair and play around with Mr. Gleason who grabs the body parts of Sarah and Vanessa. Marcello described the body parts that Mr. Gleason touches as the butt, chest and stomach. When Mr. Gleason gives the girls a hug he puts his fingers in their pants. When he touches their chest and stomach Mr. Gleason puts his hand under their clothes while giving them a hug. Marcello said the girls sometimes try to get away from Mr. Gleason by walking around the classroom. This occurred twelve to thirteen times.

I contacted the parents of student Shyann Faircloth and advised them what student Yamileth Cajina said occurred to Shyann regarding Mr. Gleason touching her during the previous school year. Shyann's formal first name is Brittany but she is known by her middle name. It was agreed for Shyann to be interviewed at Home Safe regarding the allegations. On 12-10-02 a forensic interview was conducted with Shyann by CPT Case Coordinator Lynda Davies. While the interview was videotape recorded I viewed the interview in an adjacent room on a television monitor. In summary, Shyann understood the difference between telling the truth and telling a lie. It was emphasized to her to tell the truth. Shyann is a fourth grade student who had Mr. Gleason as her teacher when she was in the second grade. Shyann said her friend Vanessa told her that Mr. Gleason put his hand inside her shirt and did the same to Sarah. Shyann does not believe that Mr. Gleason would do something like that. The girls reported what occurred to Ms. Richer in aftercare. When asked if any of the girls said to her that they have seen Mr. Gleason touch her, Shyann said that Vanessa said that but this was not true he has not touched her. Shyann denied that Mr. Gleason has touched her inappropriately. He has given her a hug before and has touched her on the stomach with his hands over her clothing while hugging her. When Shyann would visit Mr. Gleason in his classroom Vanessa, Yamileth, and Jordan would come with her. Shyann believes that students who said they saw Mr. Gleason touch her just want to get him fired. She believes the girls like Mr. Gleason.

After the interview Case Coordinator Lynda Davies agreed to conduct a forensic interview with student Yamileth Cajina, who while previously interviewed, disclosed that she has seen Mr. Gleason put his hand inside Shyann's shirt while visiting him in his classroom. The interview was to clear the discrepancies between what Yamileth reported

during my previous interview with her and what Shyann stated. Numerous attempts to contact the parent of Yamileth through a language translator were made. When contact was made arrangements for an interview were set for 1-08-03. On this date a forensic interview was conducted with Yamileth at Home Safe by Lynda Davies. During the early phase of the interview, the difference between telling the truth and telling a lie was addressed with emphasis placed on Yamileth in being truthful. In summary, Yamileth said that last year she saw Mr. Gleason touch her friend Shyann's personal body parts. This occurred more than one time. Mr. Gleason was Shyann's favorite teacher. Shyann would go to visit Mr. Gleason and Yamileth would go with her to visit him in his classroom. Yamileth said that the personal body parts that Mr. Gleason touched on Shyann were her boobs. This occurred by Mr. Gleason playing with Shyann by holding her up by her chest while Shyann would be in a curled up position with Mr. Gleason holding her. Shyann's feet were off the ground. Yamileth identified on a drawing of a person what part of the body she called boobs by pointing to the chest area on the drawing. Mr. Gleason also touched Shyann's boobs when he hugged her. Yamileth said Mr. Gleason touched Shyann on top of her clothes and she has not seen Mr. Gleason touch Shyann under her clothes. As the interview progressed Yamileth was asked if Mr. Gleason touched Shyann anywhere else. Yamileth said that Mr. Gleason touched Shyann one time under her clothes on her belly.

Ms. Davies then asked Yamileth further questions while referring to a copy of the transcript of the audiotape interview that I previously conducted with Yamileth. While asking Yamileth about where Shyann was touched Ms. Davies pointed out to Yamileth that what she told her was not the same as what she told the Detective. When Yamileth was asked if she remembered what she told the Detective, Yamileth paused then said no. She then asked Ms. Davies about what. Ms. Davies reminded her about telling the Detective she saw Mr. Gleason put his hand under her shirt. Yamileth then remembered that one time she saw Mr. Gleason put his hand under Shyann's shirt, however, she was not sure if he touched Shyann's boobs. Upon further interviewing, Yamileth was not sure if she saw Mr. Gleason's hand make contact with the skin of Shyann when he placed his hand under her shirt. These incidents occurred during the last school year. No further relevant information was obtained.

On 01-13-03 I made telephone contact with Ms. Nancy Proctor who is a paralegal working for Attorney Matt Haynes who is representing Raymond Gleason. I advised Ms. Proctor of the allegations and inquired about interviewing Mr. Gleason. Ms. Proctor said that Mr. Gleason will not be interviewed for a criminal investigation.

On 01-24-03 the investigation continued at Berkshire Elementary School. I met individually with students Arelys Pino and Maria Guerrero regarding the information told by Vanessa stating that these girls told her they were touched by Mr. Gleason on the butt. I first met with Arelys Pino who said that Mr. Gleason had only touched her shoulder. Mr. Gleason did not touch her on the butt. Arelys did not say to Vanessa she was touched on the butt. She may have heard this from another student.

I then met with Maria Guerrero who said that Mr. Gleason had touched her on the back of the neck and has not touched her anywhere else.

This investigation reveals sufficient evidence to support probable cause to file a criminal charge of **Lewd / Lascivious Molestation, a violation of FSS 800.04(5)(b)**. A person who intentionally touches in a lewd or lascivious manner the breasts, genital area, or buttocks, or the clothing covering them, of a person less than 16 years of age, or forces or entices a person under 16 years of age, to touch the perpetrator, commits lewd or lascivious molestation. An offender 18 years of age or older who commits lewd or lascivious molestation against a victim less than 12 years of age commits a felony of the first degree.

committed the below acts in my presence. was observed by who told that he/she saw the arrested person commit the below acts. confessed to admitting to the below facts. was found to have committed the below acts, resulting from my (described) investigation.

On the 11 day of December 20 02 at 6-8 A.M. P.M. (Specifically include facts constituting cause for arrest.)

The following occurred in Delray Beach, Palm Beach County, Florida:

On 12/10/02 Defendant Jeffrey Saintfleur (juvenile, DOB 11-10-86) and Victim had contact on America OnLine (AOL) through an Instant Message (IM) and an E-mail. During the IM sessions, the defendant asked the victim to meet for sex after having been told that was 15 years old. The two met a short time later in the victim's back yard. While there, they kissed and sucked on each other's necks and ears. The defendant also touched the victim's breasts and buttocks in a lewd manner on the outside of clothing. The victim's then came home and the defendant left before the victim's saw him. The on-line and other contact this evening was between 6:00 PM and 10:00 PM.

On 12/11/02, the victim and defendant again had contact on AOL through an IM. The victim advised him that wanted to meet and he wrote to that he would only meet if they were going to have sex; otherwise it would not be worth meeting. They met in the back parking lot area of the office building at 14000 South Military Trail, Delray Beach, which is separated from the victim's back yard by a wall. While at that location, the defendant inserted his penis into the victim's and moved it partly into and out of the several times until the victim stated that he was causing pain by doing so. The defendant then reinserted his penis into and conducted the same partly in-and-out motion. The defendant's penis was inserted inside of the victim's for approximately 10 to 20 minutes. In order to have the defendant stop during the second insertion, the victim told him "Stop!" several times and then pushed him off of. The victim next walked very quickly to NW 3 Drive, en route to home. The defendant caught up to on his bicycle and asked for a "blow job", but refused. The victim then continued walking until arrived at home. This happened between 8:00 PM and 9:00 PM.

On 12/14/02, the victim's mother pressured the victim regarding the cause of unusual behavior over the past 3 days, and the victim told that the defendant had raped. The victim's, then called the Delray Beach Police Department (DBPD) to report the incident. DBPD Officers Whiting (ID 840), Sniffen (ID 774), and Swanson (ID 812) responded and handled the call. As the victim's was able to make contact with the defendant on AOL while posing as a who was interested in
